

# Morrissey, The Bullfighter Dies

Mad in Madrid  
Ill in Seville  
Lonely in Barcelona  
Then someone tells you and you cheer

Hooray, hooray  
The bullfighter dies  
Hooray, hooray  
The bullfighter dies  
And nobody cries  
Nobody cries  
Because we all want the bull to survive

Gaga in Malaga  
No mercy in Murcia  
Mental in Valencia  
Then someone tells you and you cheer

Hooray, hooray  
The bullfighter dies  
Hooray, hooray  
The bullfighter dies  
And nobody cries  
Nobody cries  
Because we all want the bull to survive
