## Morrissey, The Bullfighter Dies

Mad in Madrid Ill in Seville Lonely in Barcelona Then someone tells you and you cheer

Hooray, hooray
The bullfighter dies
Hooray, hooray
The bullfighter dies
And nobody cries
Nobody cries
Because we all want the bull to survive

Gaga in Malaga No mercy in Murcia Mental in Valencia Then someone tells you and you cheer

Hooray, hooray
The bullfighter dies
Hooray, hooray
The bullfighter dies
And nobody cries
Nobody cries
Because we all want the bull to survive
