

Morrissey, To Me You Are A Work Of Art

I live a life, I feel the pain
To sing a song, to tell the tale
I wish I'd never even heard the song

I see the world it makes me puke
But then I look at you and know
That somewhere there's a someone
Who can soothe me

To me you are a work of art
And I would give you my heart
That's if I had one

I see the world it makes me puke
But then I look at you and know
That somewhere there's a someone
Who can soothe me

To me you are a work of art
And I would give you my heart
That's if I had one

To me you are a work of art
And I would give you my heart
That's if I had one
