Morrissey, To Me You Are A Work Of Art

I live a life, I feel the pain To sing a song, to tell the tale I wish I'd never even heard the song

I see the world it makes me puke But then I look at you and know That somewhere there's a someone Who can soothe me

To me you are a work of art And I would give you my heart That's if I had one

I see the world it makes me puke But then I look at you and know That somewhere there's a someone Who can soothe me

To me you are a work of art And I would give you my heart That's if I had one

To me you are a work of art And I would give you my heart That's if I had one
