Don't take your love away

Trash

Don't take your love away

Trash

Don't try to take my life away

And please don't you ask me why

I love you ...

Because I don't know if I do

I know it's ...

And what will I do with you ?

I'd go to lover's leap with you

I'd go to fairyland with you

I'd go to planet blue with you

But I just don't know if I do ...
