Morrissey, Trouble Loves Me

Trouble loves me
Trouble needs me
Two things
More than you do
Or would attempt to
So, console me
Otherwise, hold me
Just when it seems like
Everything's evened out
And the balance
Seems serene

Trouble loves me
Walks beside me
To chide me
Not to guide me
It's still much more
Than you'll do
So, console me
Otherwise, hold me
Just when it seems like
Everything's evened out
And the balance seems serene
See the fool I'll be
Still running 'round
On the flesh rampage
Still running 'round

Ready with ready-wit Still running 'round On the flesh rampage - At your age! Go to Soho, oh Go to waste in The wrong arms Still running 'round Trouble loves me Seeks and finds me To charlatanize me Which is only As it should be Oh, please fulfill me Otherwise, kill me

Show me a barrel and watch me scrape it Faced with the music, as always I'll face it In the half-light So English, frowning Then at midnight I Can't get you out of my head A disenchanted taste Still running 'round A disenchanted taste Still running 'round
