

# Morrissey, Will Never Marry

I'm writing this to say  
In a gentle way  
Thank You - but no  
I will live my life as I  
Will undoubtedly die - alone

I'm writing this to say  
In a gentle way  
Thank You ...  
I will live my life as I ... oh  
For whether you stay  
Or stray  
An inbuilt guilt catches up with you

And as it comes around to your place  
At 5 A.M.; wakes you up  
And it laughs in your face
