

Morrissey, You're Gonna Need Someone On Your

With the world's fate
Resting on your shoulder
You're gonna need
Someone on your side

You can't do it by yourself
Any longer
You're gonna need
Someone on your side
Someone kindly told me
That you'd wasted
Eight of nine lives

Oh, give yourself a break
Before you break down
You're gonna need someone on your side

And here I am
And here I am
Well, you don't need
To look so pleased !

Day or night,
There is no difference
You're gonna need someone on your side

Day or night,
There is no difference
You're gonna need someone soon

And here I am
And here I am
Well, you don't need
To look so pleased
