

Mosqitoo, Close To You

Close to you
Is not enough
What about [?] emotions over you?
It's running time
Play with fire
Invisible talk to you
[?]
What about feeling devotion?
Crystal clear, shining light
Play with fire
Just to be a fire

It's up to you
[?] of hard of love vibration
It's attitude
Play with fire
Just to be a fire

Would you see what's the light?
Would you have no doubt?
Would you dress me up?
Can you love me [?]?

Only you
Right here, right now
What about waves in the ocean?
Overcame my secret [?]
Play with fire
Invisible is watching you
Is you and I
What about Suzan's emotion?
Give it up
And [?]
Play with fire
Just to be a fire

It's up to you
[?] of hard of love vibration
It's attitude
Play with fire
Just to be a fire

Would you see what's the light?
Would you have no doubt?
Would you dress me up?
Can you love me [?]?
