## Mother Mother, Baby Boy

The devil, he's at my door And I know what he came here for The kind of fun that I adore I let him enter to make some more Fire, it burn my skin But I still want to play with it, like a Shark fin in the swim I cut myself and jump on in Baby boy, baby brother We're losing you to the gutter A woman, she at my door And too bad it's my best friend's girl She's cooking up a civil war I'm dumb enough to storm the shores, yeah There's a red-light up ahead I drive my car into it I'm a little kid with a big death wish I bite the lips, the lips that kiss Baby boy, baby brother We're losing you to the gutter Baby boy, baby...
