

# Mother Mother, Normalize

Normal  
What is normal?  
Normal  
Nothing's Normal

I run around with my mouth loud  
I make a sound like an ambulance  
I'm thinking oh my god  
Thinking oh my lordy  
I'm a junkyard dog  
Not a wannabe pony

I shake it like I'm made of jelly  
I'm belly up in the underbelly  
Thinking oh my ma-ma-ma  
Oh my mommy  
I'm a newborn babe  
But I'm already deadly  
I'm dead, deadly I die  
Yes I die, yes I die  
Every time I

Normalize  
Normalize  
Every time

Normal  
What is normal?  
Normal?  
Nothing's Normal

I'm bleeding out like a rainbow  
I paint pain like I'm Frida Kahlo  
Thinking oh god no  
It's another Picasso  
I put the mouth where the eyes and ears go  
So broken, I die  
Yes I die  
Unalive  
Every time I

Normalize  
Normalize  
Every time

Eee-yehoo  
Eee-yehoo  
Every time

I'm not normal  
You're not normal  
It's abnormal  
To be normal  
We're not normal  
They're not normal  
What is normal?  
Nothing's normal

Gay's not normal  
Straight's not normal  
Praying to the lord's not normal  
It's abnormal to be normal  
What is normal?

Nothing's normal  
What is normal?  
Nothing's Normal

Die  
Every time I  
Die  
Every time  
I die  
I die  
I die  
Every time I

Normalize  
Normalize  
Every time

I'm not normal  
You're not normal  
It's abnormal  
To be normal  
We're not normal  
They're not normal  
What is normal?  
Nothing's normal

(I die, I die, every time)  
What is normal?  
Nothing's normal
