

# Motley Crue, Brandon

You bring those tears into my eyes so well  
I've been waiting for this day so long  
Brandon i love you, you are the one brandon my son  
You run around, and chase the clouds,  
I only want you to be yourself  
Forget me not, you're all i've got  
As you can see you are the one, brandon my son  
Your mother gave birth to you with love inside  
She had candlelight and songs of life  
Brandon i love you, i love her, she is your mom  
True love is ours, nobody else  
I only want you to be yourself,  
And when i'm gone, don't cry for me

We'll always be one...you are my son,  
You are the one...you are the one
