

Mott The Hoople, The Wheel Of The Quivering Meat

(Ian Hunter/Guy Stevens)

This isn't a song in the true sense of the word - it is an end-of-session jam (sounds a bit like 'The Jam')

This has been
the Mott the Hoople
light orchestra, [who've] been
playing some goodies
and some newies
and some oldies
and some filthies
and some weirdies
and some queries
just for you
