

Moya, Making Me Fall

So why do you think
You always agree with me?
Even when I'm wrong
And that sweet sensation that you give to me
Even when you're gone
And when you walk through the night
Just to know I'm alright or just surprise me
Instead see that you care and you're always there
And you'll be right behind me

It's making me fall
It's making me fall
It's making me fall
It's making me fall

And the nights that you're always so beautiful
Coming lay beside me
And through the days I've always get messages
Never feel lonely
Just feeling the move of your head
And the cheek you can't stand?
Crying
It's making me wake in the morning
Just to tell the story
About the day you met me

It's making me fall
It's making me fall
It's making me fall
It's making me fall
It's making me fall
It's making me fall
It's making me fall
It's making me fall

In love

I will do my best to be
Everything you ever need
Try to always understand
Keep you safe
Be your man
Kiss you in the morning light
Watch you fall asleep in night
This and more I'll do
Cause I'm so in love with you

It's making me fall
It's making me fall
It's making me fall
It's making me fall

I will do my best to be
Everything you ever need
Try to always understand
Keep you safe
Be your man
Kiss you in the morning light
Watch you fall asleep in night
This and more I'll do
Cause I'm so in love with you

It's making me fall
It's making me fall

In love with you
