

Ms. Obsession, Take it

Gonna, gonna, gonna be a party tonight boy.
Take me with you, call'em, call'em!
Let's make a crowd toys,
I'm going crazy, love it baby,
feel that commotion!
Fellow, fellow, fellow let's just play with emotions.
I love sinful games, 'cause I would love to seduce you.
Baby it's a ruse, I don't wanna confine the truth.
Manipulation in every situation.
We're playing mad freaks, sweet chicks.
You can't guess what 's real,
my love, my dear.

I take it, take it and I don't know what I do.
I take it, take it and my love stops being true.
I take it, take it and I don't know what I do.
It's all right, it's all night, it's all right, it's all night .
(I said all night)
I take it, take it and I don't know what I do.
I take it, take it and my love stops being true.
I take it, take it and I don't know what I do.
It's all right, it's all night, it's all right, it's all night .

I love playing up, so I'm forever acting.
Parting is a game, where you can't meet the real me my baby.
Funny dummies: James and Alice-
- let's pull the strings, oh!
Fellow, where's my halo?
I'm not sure if I've got one.

Tell me, tell me what I did, cause I just can't remember where we were last night, just let me know!
If I did something stupid, should I feel ashamed, though, I don't really care, just let me go!

I take it, take it and I don't know what I do.
I take it, take it and my love stops being true.
I take it, take it and I don't know what I do.
It's all right, it's all night, it's all right, it's all night .
(I said all night)
I take it, take it and I don't know what I do.
I take it, take it and my love stops being true.
I take it, take it and I don't know what I do.
It's all right, it's all night, it's all right, it's all night .
(I said all night)

Shut your mouth and contemplate the silence.
Let the scenery dance around us
wow, wow, wow.
I take it, take it and !!
I take it, take it and !!
I take it, take it and !!
It's all right, it's all night, it's all right, it's all night! .
I take it, take it and !!
I take it, take it and !!
I take it, take it and !!
It's all right, it's all night.
