## Muddy Waters, You Need Love

You've got yearnin' and I got burnin' Baby you look so sweet and cunning Baby way down inside, woman you need love Woman you need love, you've got to have some love I'm gonna give you some love, I know you need love You just gotta have love, you make me feel so good You make me feel all right, you're so nice, you're so nice You're frettin', and I'm petting A lot of good things you ain't getting Baby, way down inside, you need love You need to be hugged and squeezed real tight, by the light of the moon on some summer night You need love and kissing too, all these things are good for you I ain't foolin' you need schoolin' Baby you know you need coolin' Baby, way down inside, woman you need love
