

Mumford & Sons, Ghosts That We Knew

You saw my pain, washed out in the rain
And broken glass, saw the blood run from my veins
But you saw no fault, no cracks in my heart
And you knelt beside, my hope torn apart
But the ghosts that we knew will flicker from view
And we'll live a long life

So give me hope in the darkness that I will see the light
Cause oh they gave me such a fright
But I will hold as long as you like
Just promise me we'll be all right

So lead me back
Turn south from that place
And close my eyes from my recent disgrace
Cause you know my call
And we'll share my all
And our children come and they will hear me roar

So give me hope in the darkness that I will see the light
Cause oh they gave me such a fright
But I will hold as long as you like
Just promise me we'll be all right

But hold me still, bury my heart on the coals
And hold me still, bury my heart next to yours

So give me hope in the darkness that I will see the light
Cause oh they gave me such a fright
But I will hold on with all of my might
Just promise me we'll be all right

The ghosts that we knew made us black and all blue
But we'll live a long life
And the ghosts that we knew will flicker from view
And we'll live a long life
