Mumford & Sons, Ghosts That We Knew

You saw my pain, washed out in the rain And broken glass, saw the blood run from my veins But you saw no fault, no cracks in my heart And you knelt beside, my hope torn apart But the ghosts that we knew will flicker from view And we'll live a long life

So give me hope in the darkness that I will see the light Cause oh they gave me such a fright But I will hold as long as you like Just promise me we'll be all right

So lead me back
Turn south from that place
And close my eyes from my recent disgrace
Cause you know my call
And we'll share my all
And our children come and they will hear me roar

So give me hope in the darkness that I will see the light Cause oh they gave me such a fright But I will hold as long as you like Just promise me we'll be all right

But hold me still, bury my heart on the coals And hold me still, bury my heart next to yours

So give me hope in the darkness that I will see the light Cause oh they gave me such a fright But I will hold on with all of my might Just promise me we'll be all right

The ghosts that we knew made us black and all blue But we'll live a long life And the ghosts that we knew will flicker from view And we'll live a long life
