

Mumford & Sons, Good People x Pharrell Williams

And I'm done being tired so right now I'm inspired
(Welcome to the revelation)
I was once under water and now I'm on fire
(Welcome to the revelation)
And I feel it in the air that Mother Earth ain't steady
Feel so alive even though times are deadly
And in my soul
(Get ready)
Something is stirring now
(Get ready)
And I'm not worried
(Get ready)
You better get ready to see now
[Chorus]
Good people
Been down
For so long
And now
It's like
The sun is rising
Good people
Been down
For so long
And now
I see
The sun is rising
Long was the night but you know we've been dreaming
(Welcome to the revelation)
The city's getting loud cause the mountains are screaming
(Welcome to the revelation)
When you've been through it all and it won't get no worse
Said the first shall be last and the last shall be first
And in my soul
(Get ready)
Something is stirring now
(Get ready)
And I'm not worried
(Get ready)
You better get ready to see now
[Chorus]
Good people
Been down
For so long
And now
It's like
The sun is rising
Good people
Been down
For so long
And now
I see
The sun is rising
Welcome to the revelation
Welcome to the revelation
The sun is rising
It's coming
It's on its way
So nothing tonight is getting in the way
The sun is rising
It's coming
It's on its way
So nothing tonight is getting in the way
