

# Mumford & Sons, Guiding Light

all day permanent red  
the glaze on my eyes  
when I heard your voice  
the distance caught me by surprise again  
and I know you claim that you're alright  
but fix your eyes on me  
I guess I'm all you have  
and I swear you'll see the dawn again

well I know I had it all on the line  
but don't just sit with folded hands and become blind  
cos even when there is no star in sight  
you'll always be my only guiding light

relate to my youth  
well I'm still in awe of you  
discover some new truth  
that was always wrapped around you  
don't just sip away in the night  
don't just hurl your words from on high

well I know I had it all on the line  
but don't just sit with folded hands and become blind  
cos even when there is no star in sight  
you'll always be my only guiding light

if we come back and we're broken  
unworthy and ashamed  
give us something to believe in

well I know I had it all on the line  
but don't just sit with folded hands and become blind  
cos even when there is no star in sight  
you'll always be my only guiding light  
well I know I had it all on the line  
but don't just sit with folded hands and become blind  
cos even when there is no star in sight  
you'll always be my only guiding light
