

Mumford & Sons, Guiding Light

all day permanent red
the glaze on my eyes
when I heard your voice
the distance caught me by surprise again
and I know you claim that you're alright
but fix your eyes on me
I guess I'm all you have
and I swear you'll see the dawn again

well I know I had it all on the line
but don't just sit with folded hands and become blind
cos even when there is no star in sight
you'll always be my only guiding light

relate to my youth
well I'm still in awe of you
discover some new truth
that was always wrapped around you
don't just sip away in the night
don't just hurl your words from on high

well I know I had it all on the line
but don't just sit with folded hands and become blind
cos even when there is no star in sight
you'll always be my only guiding light

if we come back and we're broken
unworthy and ashamed
give us something to believe in

well I know I had it all on the line
but don't just sit with folded hands and become blind
cos even when there is no star in sight
you'll always be my only guiding light
well I know I had it all on the line
but don't just sit with folded hands and become blind
cos even when there is no star in sight
you'll always be my only guiding light
