

# Mumford & Sons, Whispers In The Dark

You hold your truth so purely  
Well swerve not through the minds of men  
This lie is dead  
And this cup of yours tastes holy  
But a brush with the Devil can clear your mind  
And strengthen your spine  
But fingers tap into what you were once  
And I'm worried that I blew my only chance

Whispers in the dark  
Steal a kiss and you'll break your heart  
Pick up your clothes and curl your toes  
Learn your lesson, lead me home

Spare my sins for the ark  
I was too slow to depart  
I'm a cad but I'm not a fraud  
I'd set out to serve the Lord

But my heart was colder when you'd gone  
And I lost my head but found the one that I love  
Under the sun, under the sun

But fingers tap into what you were once  
And I'm worried that I blew my only chance  
Fingers tap into what you were once  
And I'm worried that I blew my only chance

But my heart was colder when you'd gone  
And I lost my head  
Let's live while we are young  
While we are young, while are young  
While we are young
