

Mungo Jerry, Sugar Mama

Sugar Mama, look at me, won't you give your love to me,
Sugar Mama, what you've done, sugar mama, let's have fun,
You take me for a walk, just a baby I couldn't talk,
16 and you're 31, sugar mama, let's have fun

Sugar Mama, you're so fine, won't you let me taste your cherry wine,
Sugar Mama, you're so fine, won't you let me taste your cherry wine

She walks those streets at night, painted face and painted eyes,
I dreamt about you, wet my bed, sugar Mama, what you said

Sugar Mama, you're so fine, let me taste your cherry wine,
Sugar Mama, spend all night, let me taste your cherry wine,
Sugar Mama, you're so fine, won't you let me taste your cherry wine,
Sugar Mama, you're so fine, won't you let me taste your cherry wine,
