

Mura Masa, Rise (feat NADIAH)

You know I'm down, I'll rise up
I get knocked down, I'll rise up
You know I'm down, I'll rise up
I get knocked down, I'll rise up

Beat drops

I can set it now
I can set it now
You know I'm down, I'll rise up
I get knocked down, I'll rise up
You know I'm down, I'll rise up
I get knocked down, I'll rise up

Beat drops
