

Murder Inc, Leaving

(Ashanti)

If you were me what would you do always a lie,
and never the truth, now as for me I'm moving on.
You'll always be my baby.

(Ashanti)

Baby I just gotta let you go for now, thought I
could take it for a while.
Maybe we'll make it back around baby I just have to live
my life For now can't see me changing for a while
if I could make it back around.

(Ashanti)

Anything that I want I could get it boy. You know
you turn me on and on that's why I switched my frame
of mind of being there when you call always on time. I'm
looking to spread my wings and party, everything and for
everybody, I need my space my time alone its like our hearts
don't match no more, still anything that you want you could get it
boy. You know I still got love for you in court I plea the 5th my baby.

(Ashanti)

When you was cheating you was probably thinking
I won't sense a thing but love got a funny way of catching up.
To lies your lies can't look me straight in the eyes.
I'm not surprise that you hurt me baby but why
me baby just let me breathe and I'll fly freely.
If you were me what would

you do always a lie and never the truth now as for me
I'm moving on you'll always be My baby.
