

# Murderdolls, Welcome To The Strange

Nowhere  
No place I'd rather be  
I'm in my own sideshow  
Where I can feel the misery

But in my home yeah I'd see the colour  
My future's silver black and white  
I got a non stop ticket  
No destination in sight

So step right up for the ride of your life!  
The line starts here in the back of my mind

I ride into the super sci-fi  
My stars are fallin  
Down down down  
to the earth tonight

So step right up for the ride of your life!  
The line starts here in the back of my mind  
Well you cab rearrange the strange and derranged  
The sign up ahead says  
Welcome to the strange

So step right up for the ride of your life!  
The line starts here in the back of my mind

Nowhere  
No place I'd rather be  
Well I'm a self-made monster and my own worst enemy

So step right up for the ride of your life!  
The line starts here in the back of my mind  
Well you cab rearrange the strange and derranged  
The sign up ahead says  
Welcome to the strange
