

Muse, Ashamed

I know there's something that you're dying to tell me
I hope it's not about your future without me

Make sure no one finds out
Tell me all about it
Don't keep it to yourself
Cos I can't bear the thought

I'll never leave you quietly
I know you'll find me
It doesn't matter
Cos I need you here

I know that you're ashamed
So emotional that it kills you
Don't you know that you're ashamed
So emotional it kills you

There's always something that makes you guilty
There's just something that you're dying to tell me

Make sure no one finds out
Tell me all about it
Don't keep it to yourself
Cos I can't bear the thought

I'll never leave you quietly
I know you'll find me
It doesn't matter
Cos I need you here

I know that you're ashamed
So emotional that it kills you
Don't you know that you're ashamed
So emotional it kills you
