Muse, Darkshines

Passing by, you light up my darkest skies You'll take only seconds to draw me in So be mine and your innocence I will consume

Dark shines Bringing me down Making my heart feel sore 'cause it's good

Hold your hands up to your eyes again Hide from the scary scenes Suppress your fears So be mine and your innocence I will consume

Dark shines Bringing me down Making my heart feel sore 'cause it's good

Your dark shines Bringing me down Making my heart feel sore 'cause it's good
