

Muse, Falling Down

Im falling down
And fifteen thousand people scream
They were all begging for your dream
Im falling down
Five thousand houses burning down
No-one is gonna save this town

Too late
I already found what I was looking for
You know it wasnt here
No it wasnt here

I was calling your name
But you would never hear me sing
You wouldnt let me begin
So Im crawling away
'Cause you broke my heart in two
No, I will not forget you

Too late
I already found what I was looking for
You know it wasnt you
No, it wasnt you
Noooooo

Falling away
You would never see me through
No, I could not forget you
Falling down
Five thousand house burning down
No-one is gonna save this town

Too late
I already found what I was looking for
You know it wasnt you
No, it wasnt you
No

Falling down
Now the world is upside down
Im heading straight for the clouds
