

# Muse, Follow me

When darkness falls and surrounds you.  
When you fall down, when you're scared and you're lost.  
Be brave, I'm coming to hold you now.  
When all your strength has gone and you feel wrong  
Like your life has slipped away.

Follow me, you can follow me and I,  
I will not desert you now.

When your fire's died out,  
No one's there  
They have left you for dead

Follow me, you can follow me.  
I will keep you safe.  
Follow me, you can follow me, I will protect you.

I won't let them hurt, they're hurting you, no  
When your heart is breaking.

You can follow me, you can follow me  
I will always keep you safe  
Follow me, you can trust in me  
I will always protect you my love.  
Feel my love  
Feel my love
