

# Muse, Host

Ive read you well  
I just want to get away  
Cos you used my love  
I just need to get away

My trust in you has been abused  
My trust in you has been overused

Sick of this space  
Wish we could be far away  
Cos I wasted all my youth  
Ill never see it again

My trust in you has been abused  
My trust in you has been overused

Why can you get everything?  
Can you tell me why I just want to run away?  
Can you tell me why I just want to get away?

I just want to get away...

I just wanted too much  
I wish we could be far away  
And if my wish comes true  
Youll never see me again
