

# Muse, Megalomania

Paradise comes at a price  
That I am not prepared to pay  
What were we built for?  
Could someone tell me please?

The good news is, she can't have babies  
And won't accept gifts from me  
What are they for?  
They'll just grow up, and break the laws you've loved

Take off your disguise  
I know that underneath  
It's me

Useless device, it won't suffice  
I want a new game to play  
When I am gone  
It won't be long, before I disturb you in the dark

And paradise comes at a price  
That I am not prepared to pay  
What were we built for?  
Will someone tell me please?

Take off your disguise  
I know that underneath  
It's me
