

Muse, Shrinking Universe

Cast your eye tears on to me
And I'll show you what you really need
Give too much attention
And I will flex your imperfections
Can't you see it's over
Because you're the god of a shrinking universe

Purposeless survival
Now there's nothing left to die for
So don't struggle to recognise now
The cruelly heart-felt suicide
Can't you see it's over
Because you're the god of a shrinking universe

Can't you see it's over
Because you're the god of a shrinking universe
