

Muse, Unfounded

Get me baby!!!
Get my real love.
But you're not
here
I don't know where I am
I can't find myself
please find my soul baby
but you don't erase my past
you don't let everything
you can't plug me cause
you don't want to
Cause I'm unfounded
Lost in the middle of two worlds
You're the light that can save me but you
don't want to.
I'm still unfounded
