

# Musiq Soulchild, Something

Something in the way she moves  
Attracts me like no other lover  
Something in the way she moves me  
I don't wanna leave her now  
You know I believe in how

Somewhere in her smile she knows  
That I don't need no other lover, no  
Something in her style that shows me yeah  
I don't wanna leave her now  
You know I believe in how yeah,

You asking me will our love grow  
I don't know, I don't know, no I don't know, no

You stick around and it may show  
Cause I don't know, I don't know, I don't know no, no, no  
no ooooh, ooooh, ooooh....

Something in the way she knows  
And all I have to do is think of her yeah...  
Something in the things she shows me  
I don't wanna leave her now  
You know I believe in how yeah, yeah

[Bridge]  
Listen, something in the way she moves  
Something in the way that she moves me  
Somewhere in her smile that she knows  
Something in her style that it shows me  
Something in the things that she shows me  
Something
