

# mxmtoon, mona lisa

i've always played the part of Shakespeare  
i hide behind the ink and pen  
i build up worlds and choose a savior  
i write beginning, middle, end

i'm so tired of being a book on the shelf  
tired of stories for somebody else  
think that i'm ready to start a new chapter

i've been looking for some way to turn it around  
looking for someone to give me the crown  
i wanna feel like i finally matter

i wanna be a mona lisa  
the kinda girl that you can dream of  
and i always had the words but i don't wanna say it  
wish i could paint a smile on my face  
i wanna be a mona lisa

so is there anybody out there  
who could change my point of view  
the way that Van Gogh uses yellow  
or the self in Frida Kahlo  
i could be that for you

i'm so tired of being a book on the shelf  
tired of stories for somebody else  
think that i'm ready to start a new chapter

i've been looking for some way to turn it around  
looking for someone to give me the crown  
i wanna feel like i finally matter

i wanna be a mona lisa  
the kinda girl that you can dream of  
and i always had the words but i don't wanna say it  
wish i could paint a smile on my face  
i wanna be a mona lisa

i think i'm ready for my close up, baby  
there's nothing left to do  
and nothing left to lose  
let me be your muse

and i always had the words but i don't wanna say it  
wish i could paint a smile on my face  
i wanna be a mona lisa
