My Black Sky, Why?

i ask the question why? i cant accept that decision but you said "goodbye" i would die just to make you see you're wrong you look at this guy but you dont care if i'm gone

(chorus):

why did you say "i love you"? why did you want me back? why do you talk in my back? yes i ask you...why?

i said "i'm sorry" but you wont forgive me i wanna be with you 'cause i wont forget you i tried to talk to you but you didnt listen to me i'm nothing without you could you forgive me?

(chorus):

why did you say " i love you "? why did you want me back? why do you talk in my back? yes i ask you...why?

(bridge):

after all we did how could you say "its over" after all we did it's for ever

(chorus):

why did you say "i love you" ? why did you want me back ? why do you talk in my back? yes i ask you why ?

i just want you back i cried and i tried but your smile makes me cry and i dont know why......
