

My Bloody Valentine, On Another Rainy Saturday

So face up it's not for me
Some dumb Charles Atlas fantasy
But you can kick sand in my face
If you want to
Save your hairstyle, stay inside
Watch TV, improve your mind
You soak up those beach parties
And eat ice cream

You're so weird, you're wonderful
My favourite fascination
On Another Rainy Saturday
Bubblegum and cigarettes
Your favourite things I can't forget
Trash your plastic mac
It makes your legs get wet
Wear your raincoat inside out
You turned my lovelife upside down
Standing on my head again
It feels happy

You're so weird, you're wonderful
My favourite fascination
On Another Rainy Saturday
