My Bloody Valentine, Soon

Wake up Don't fear I want to Love you Yeah (doll of pain) I let you get to me Yeah yeah

Come back Don't be Afraid of me Soon That (I'll harm you) Your eyes are blue Blue jewels Yeah yeah

Come back Have faith Someone like you Can find the reason Of what I did to you Yeah yeah

Wake up Don't fear I want to Love you Yeah (doll of pain) I let you get to me Yeah yeah
