

My Chemical Romance, Cemetery Drive (Live)

"This song is about the hardest drive me and Mikey and my band ever went on
We been on this long road now 'bout four years
This song is called Cemetery Drive"

This night
Walk the dead
In a solitary style and crash the cemetery gate
In the dress your husband hates

Way down
Mark the grave
Where the searchlights find us drinking by the mausoleum door
And they found you on the bathroom floor

I miss you
I miss you so far
And the collision of your kiss that made it so hard

Back home
Off the run
Singing songs that make you slit your wrists
It isn't that much fun
Staring down a loaded gun
So I won't stop trying
Won't stop dying
If you want I'll keep on crying
Did you get what you deserve?
Is this what you always want me for?

I miss you
I miss you so far
And the collision of your kiss that made it so hard

Way down (x4)
Get up
Way down (x7)

I miss you
I miss you so far
And the collision of your kiss that made it so hard

And well I miss you
And well I miss you so far
And the collision of your kiss that made it so hard
That made you a star

Way down (x4)
Way down (x4)
