## My Chemical Romance, Heaven Help Us

Hear the sound The angels come screaming Down your voice I hear you've been bleeding

Make your choice They say you've been pleading Someone save us

Heaven help us now Come crashing down We'll hear the sound As you're falling down

I'm at this old hotel
But can't tell if I've been breathing or sleeping
Or screaming or waiting for the man to call
And maybe all of the above
Cause mostly I've been sprawled on these cathedral steps
While spitting out the blood and screaming
"Someone save us!"

Heaven help us now Come crashing down We'll hear the sound As you're falling down

And will you pray for me? Or make a saint of me? And will you lay for me? Or make a saint of?

Cause I'll give you all the nails you need Cover me in gasoline Wipe away those tears of blood again And the punchline to the joke is asking Someone save us

Heaven help us now Come crashing down We'll hear the sound As you fall

And would you pray for me?
(You don't know a thing about my sins How the misery begins)
Or make a saint of me?
(You don't know
So I'm burning, I'm burning)
And will you lay for me?
(You don't know a thing about my sins How the misery begins)
Or make a saint?
(You don't know
Cause I'm burning, I'm burning)

Cause I'll give you all the nails you need (I'm burning, I'm burning again)
Cover me in gasoline again
