

My Chemical Romance, Helena

Long ago
Just like the hearse you die to get in again
We are so far from you

Burning on just like a match you strike to incinerate
The lives of everyone you know
And what's the worst you take (worst you take)
from every heart you break (heart you break)
And like the blade you stain (blade you stain)
Well I've been holding on tonight

[Chorus]
What's the worst that I can say?
Things are better if I stay
So long and goodnight
So long and goodnight

Came a time
When every star fall brought you to tears again
We are the very hurt you sold
And what's the worst you take (worst you take)
from every heart you break (heart you break)
And like the blade you stain (blade you stain)
Well I've been holding on tonight

[Chorus]
What's the worst that I can say?
Things are better if I stay
So long and goodnight
So long and goodnight
And if you carry on this way
Things are better if I stay
So long and goodnight
So long and goodnight

Can you hear me?
Are you near me?
Can we pretend to leave and then
We'll meet again
When both our cars collide?

[Chorus]
What's the worst that I can say?
Things are better if I stay
So long and goodnight
So long and goodnight
And if you carry on this way
Things are better if I stay
So long and goodnight
So long and goodnight
