

# My Chemical Romance, Jetset Life Is Gonna Kill You

Gaze into her killing jar I'd sometimes stare for hours (sometimes stare for hours).  
She even poked the holes so I can breathe.  
She bought the last line.  
I'm just the worst kind.  
Of guy to argue.  
With what you might find.  
And for the last night I lie.  
Could I lie with you?

[Chorus:]

Alright

Give up

Get down. It's just the hardest part of living.

Alright

She wants

It all to come down this time.

Lost in the prescription she's got something else in mind (something else in mind).

Check into the Hotel Bella Muerte.

It gives the weak flight.

It gives the blind sight.

Until the cops come.

Or by the last light.

And for the last night I lie.

Could I lie next to you?

[Chorus x2]

Pull the plug.

But I'd like to learn your name.

When holding on.

Well I hope you do the same.

Awww sugar.

Slip into the tragedy you've spun this chamber dry.

[Chorus x2]

Pull the plug.

But I'd like to learn your name.

When holding on.

Well I hope you do the same.

Awww sugar.
