

# My Hotel Year, Breathing Patterns

You'll never know  
How you sing  
When you're asleep  
And I'm listenin'  
I'm listenin'  
You'll never know  
How you say the things you say  
And I'm listenin'  
I'm listenin'  
For my name  
For my name

You'll never know  
How you sing  
While you're asleep  
And I'm listenin'  
You'll never know  
How you say the things you say  
And I'm wondering  
I am wondering  
who's to blame

it's okay  
it's alright  
it's all inside your mind

wondering  
listening
