

My Indigo, Where Is My Love

My mama said he'd love me, right down to the bone
My mama said he'd hold me, and never let me go
but no more, no no more, no more

Why am I here to protect you,
here to defend you,
I don't know anymore
no I don't know no, no I don't know
Why I'm here to perfect you,
here to believe you
I don't know anymore
where is my love,
where is my love.....yeah

my mama said, my mama said my, my mama said, my mama said my, my mama said, my mama

My mama pushed my head up and said never let it show
My mama said loves fooled me, but you're not alone
So no more, no no more, no more

Why am I here to protect you, here to defend you
I don't know anymore, no I don't know.. no
no I don't know..
Why I'm here to perfect you, here to believe you
I don't know anymore, where is my love

my mama said, my mama said my, my mama said, my mama said my, my mama said, my mama

It's a man's world that where we are living in
and it's careless and it's cold
Our children will reap, reap what we sow
To every father and son,
every brother and friend
bring this curse to an end...

my mama said, my mama said my, my mama said, my mama said my, my mama said, my mama

Why am I here to protect you, here to defend you
I don't know anymore, no I don't know.. no, no I don't know..
Why I'm here to perfect you, here to believe you
I don't know anymore, where is my love
where is my love.....yeah

my mama said, my mama said my, my mama said, my mama said my, my mama said, my mama

Where is my love
My mama said he'd love me
