

# Mya, For The First Time

(Intro)

I can't explain why I'm feeling for you so bad  
Let's do this  
For the first time

(Verse 1)

It's funny that it seems like yesterday  
When we first met up on the stairway  
You were so fly... you made me shy away  
But unfortunately I pretended that I could not stay  
And now

(Midverse)

I don't know what's just come over me but suddenly  
I've got the urge to feel your body soakin' wet right next to me  
I can't explain why I'm feeling for you so bad but maybe we'll find out  
Tonight for the first time

(Hook)

For the first time

(Verse2)

So now you're here but I don't know what to do  
'Cause it's been so long since we, both me and you  
Have talked, have kissed  
But there's only one person on this earth  
I know that I've missed

(Midverse)

I don't know what's just come over me but suddenly  
I've got the urge to feel your body soakin' wet right next to me  
I can't explain why I'm feeling for you so bad but maybe we'll find out  
Tonight for the first time

(Hook)

For the first time

(Bridge)

Now I know I've always wanted you  
Was too afraid to make a move  
Ashamed to let all of my feelings show  
When I heard you were coming to town  
I hoped that you would come around  
I got some things to say that you should know  
But I don't know what's just come, come over me  
But suddenly I've got the urge your body your body right next to me  
I can't explain why I'm feeling  
But maybe we'll find out tonight for the first time

(Midverse)

I don't know what's just come over me but suddenly  
I've got the urge to feel your body soakin' wet right next to me  
I can't explain why I'm feeling for you so bad but maybe we'll find out  
Tonight for the first time

(Repeat 1X)
