

# Mya, Keep On Lovin' Me

Is it really real  
The love that you feel for me  
Or is it a game  
For you to get into my groove  
But boy don't be dismayed  
I'd feel it too  
If I apply to you  
Boy your love remains the same  
[Chorus 2XS]  
Boy I'll give you all I've got  
All I have is all I get  
If you remain  
Remain the same  
Just keep on lovin' me  
Cause all that I want to do  
I'll take the time to show you how it could be  
Just keep on lovin' me  
I know your disappointed  
But what can I do boy  
To make that change  
This time I'll do what you say  
To help you believe  
And make it better  
To keep it together  
[Ad lib until fade]
