

# Mya, Take Me There

Take me there  
I wanna go there  
Take me there  
Let's go there  
Take me to that great place  
With wonders and wishes  
Take me there  
I wanna go there  
Take me there  
You know where  
Take me to that great place  
With wonders and wishes

(mya):  
Sittin' here thinking 'bout yesterday  
About what we did and how we used to play  
Just the thought of you bring a smile upon my face  
That's how it makes me to see your everyday

Where we go  
Nobody knows  
And what we do  
Is between me and you

Come on and take my hand  
To that special place  
Where smiles come to life and dreams come true

Take me there  
I wanna go there  
Take me there  
Let's go there  
Take me to that great place  
With wonders and wishes  
Take me there  
I wanna go there  
Take me there  
You know where  
Take me to that great place  
With wonders and wishes

(blackstreet):  
Just make a wish  
Close your eyes and count to five  
Cause you know that everything will be alright  
I see the magic in your eyes  
Strong enough, you know, to bring your dreams alive

Where we go  
Nobody knows  
And what we do  
Is between me and you

Come on and take my hand  
To that special place  
Don't want this dream to ever go away

Take me there  
I wanna go there  
Take me there  
Let's go there  
Take me to that great place  
With wonders and wishes

Take me there  
I wanna go there  
Take me there  
You know where  
Take me to that great place  
With wonders and wishes

(mase):

Angelica's the one with all exposure

Me and my twin with a vengence like phil and lil

And with 1 wish  
Blink, grant you 1 trip  
Where we goin is an adventure  
Who you wanna come with?

Run wit, but it's gotta be done quick  
Yo chuckie is scared, tommy is sad  
Phil and lil missin their mommy and dad  
So pick a time and date  
And find a place  
And I guarantee you tommy we'll get home safe

Take me to that great place  
With wonders and wishes

You know where  
Take me to that great place  
With wonders and wishes
