

N-DUBZ, I Swear

[BOY:]

I swear, I swear I miss the times when you would tie me to a chair
And tease me from the back of my neck right up to my ear
She would have me to herself she didnt want nobody else but I... see that was at the time (until)
I see her kissing some other guy underneath the bridge
I never thought she would've done a thing like this
So i'm sorry make your way towards the door and never show your face again (biatch).

[BOY:]

So what do you think I am
Who do you think you are
What the fucks this
Whats he doing here
These are my parts
Tell him duck home,
I swear I get him stripped down to his boxers
Chilling in c time
Got no libary in oxford
Tell me what do you see in a dude like this
He can't even look me in the eyes
I can see straight through him he's just a bitch
Do you feel him cause hes rich
But you leave me cos i'm broke
You was only with me yesterday your still bustin' my coat
You know how im a sicko
Sicko like my local pubs owner what was stanley suck and ball
Screwdriver straight camden artist soldier i'm a thug
Yeah I thought that you loved me,
I mean these days you see me and you don't even hug me

[BOY:]

Now you and I, yeah we shared something special are you out of your mind?

[GIRL:]

Boy i'm really sorry give me one more try
Cause everything you do got me going and I just can't lose this

Yeah I swear I know I lied to you (youuuu)
I should have told the truth (truuuth)
I couldn't hurt your feelings so I lied when I told you that
I was chillin' with my girls
When really I was somewhere else
Maybe if you gave me all I ever needed
Then this wouldn't have happend
Have you forgotten...
The days when...
Where you did the same thing to me
And I forgave you baby.

[BOY:]

Yeah it's early morning
Coming home at 5:34
The final show was cancelled
I'm back early from tour
Soon as I open the door
I see a pair of shoes on the floor
I know they ain't mine i'm 100 % sure
Now there's wild thoughts distortin' through my head i'm
Thinking of war
Pacing up the stairs as quick as I can to the top floor
Half way there pick up a tool that's laying on the floor boards
Saying lord don't tell me this girls turned to a whore
Who the hell's shoes are these?

[GIRL:]

I thought they were your new nikes

[BOY:]

Don't take me for a fool I dont wear shoes like these so don't lie to me

[GIRL:]

What do you mean?

[BOY:]
