

N-DUBZ, Number 1

[DAPPY]

ah uh uh oh

ah uh uh oh

ah uh uh oh

ah uh uh oh (na na naii)

ah uh uh oh

ah uh uh oh (Tinchy Stryder)

ah uh uh oh (N dubz)

ah uh uh oh (yo)

[TINCHY]

it was nothing but a quick think

kids games, kiss chase, just a quick fling

now im hoping you never go missing

now im telling you, you can hold this ring, watch how it glistens

it was done as quick as the wind blows

didnt think i would ever be involved

so i even wrote a song called dont go

now its just you and me on a love row

Dappy like dino us two tip toes duck dive get low

and now i care less about who knows

now were deep in way past intro dappy explain yo

[BRIDGE][DAPPY]

see never did i think a boy like me would be in need

when all i really wanted was to have some fun

now im losing my head, im telling you one thing

youre number one

[CHORUS]

see i dont understand how youre number one

when it was just a fling before now, youre the one

see all i did was blink twice, from my homie to my only

number one

ah uh uh oh

ah uh uh oh

ah uh uh oh

ah uh uh oh

[TINCHY]

yo

it was all now never planned no after

it was like games jokes laughter

live for the moment, left it all open

now im in deep, flames, lava, breathe, karma

and now im stating, see i never saw this in my daydream

its really you that im fully rating

and the days here no more waiting

pay it all wise to the smart man raised him

i was so hurt, pain, aching

on the wrong path then a good girl saved him

thats why im letting her know shes amazing

[BRIDGE][DAPPY]

see never did i think a boy like me would be in need

when all i really wanted was to have some fun

now im losing my head, im telling you one thing

youre number one

[CHORUS]

see i dont understand how youre number one

when it was just a fling before now, youre the one

see all i did was blink twice from my homie to my only

number one

you lift me off the ground

i always want you around

i aint gunna let nothing get in the way

ill never let nothing get in the way

you lift me off the ground

i always want you around

i aint gunna let nothing get in the way
ill never let nothing get in the way
[TINCHY]
yo, i aint never gunna let nothing get in the way
you play your cards all right youre on As
you make my nights so bright youre my days
you took me out of the maze
you are number one
[CHORUS][DAPPY]
see i dont understand how youre number one
when it was just a fling before now, youre the one
see all i did was blink twice from my homie to my only
number one
you lift me off the ground
i always want you around
i aint gunna let nothing get in the way
ill never let nothing get in the way
you lift me off the ground
i always want you around
i aint gunna let nothing get in the way
ill never let nothing get in the way
[OUTRO][TINCHY]
youre number one youre in the race youre a leader
girl youre out of this world i cant see ya
and now you got a place in my heart
its funny how you actually went
from my home to my only
number one
